# Dot

earphones - In-ear earphones; soft silicone earphones available in three different sizes to guarantee maximum adaptability to the ear during use. The external parts of the earphones have a round slightly bulging surface, are available in eight colour variants and are customisable with the printed company logo. You can choose to customise each earphone with the same image or with two different ones. The Dot earphones come complete with a rigid plastic square-shaped packaging for the 3.5 mm jack cable.
